

DECLARATION OF SAFETY

One of the most important parts of our job is to operate safely as we travel over the road, while we work in our yard and while we operate at our customer's facilities. Our signatures below acknowledge our full commitment to our colleagues, our customers, our company and ourselves.

We pledge to:

- Report unsafe conditions**
- Follow safe work practices**
- Assist colleagues in avoiding injuries**
- Stop performing a task if it seems unsafe**
- Ask questions if I am uncertain of what to do**
- Learn and understand the laws that protect our safety**
- Support participation in the OSHA SHARP and Golden Gate Program**
